DICE Office
Matrix Sales

Enhance your sales process and boost performance with our unified clould sales platform

FEATURES & HIGLIGHTS

- Maintain consistent workflows and service from prospect generation to contract signing.

- Create custom quotes, proposals, and contracts with integrated proposal building tools.

- Access prospect data, quotes, and contracts from anywhere with any smart device

- Manage prospect appointments for sales reps and access personalized customer data.

- View sales statistics for individuals, teams, and entire departments with real time dashboards.

Matrix Sales is a cloud-based sales tool for every type of sales professional, their teams, and managers.

Collaboration is simplified with a mobile platform that allows users to organize leads, assign prospects, generate contracts and proposals, and capture signatures from any location.

Progress and data can also be analyzed with powerful tools that measure sales objectives and other performance indicators. Plus, your sales software works seamlessly with your other Matrix tools so your team can easily access invoices, inventory, and much more.
