

DICE Office

Matrix Service

Schedule tasks, manage tickets, and improve service efficiency

FEATURES & HIGHLIGHTS

- Integrates seamlessly with your other DICE software for collaboration and convenience.
- Create or respond to detailed service tickets for any task you need to manage or track.
- Schedule technicians and plan your workday with ease using flexible calendar tools.
- Access turn-by-turn directions with adaptive mapping features and record arrival times.
- Take Matrix Service anywhere you need to go without downloading apps or software.

Managing service tickets, scheduling, and routing has never been easier than with Matrix Service.

Backed by a powerful cloud platform, Matrix Service is designed for technicians on the go and streamlines communication between off-premises workers and the office.

With an interactive calendar and mapping system, notes, scheduling/routing tools, and the ability to monitor inventory, Matrix Service offers affordable, efficient, and convenient solutions for businesses of all sizes.
